Subject: ITC/Houston chemical fire

Hi Margi,

Ben and I are providing legal support for the emergency response to the ITC/Houston chemical fire, including preparation of an order planned for issuance today. I'd welcome connecting, or being referred to someone you'd suggest.

And FYI, Ed Quinones is the EPA attorney providing legal support for the response. He's at edwin.quinones@epa.gov, 214-535-9661 cell.
